1. My aunt came back  
From old Algiers,  
And she brought me back  
A pair of shears.

2. My aunt came back  
From Holland, too,  
And she brought me back  
A wooden shoe.

3. My aunt came back  
From old Japan,  
And she brought me back  
A paper fan.

4. My aunt came back  
From old Belgium,  
And she brought me back  
Some bubble gum.

5. My aunt came back  
From New York fair,  
And she brought me back  
A rocking chair.

6. My aunt came back,  
From Niagara falls,  
And she brought me back  
Some ping pong balls.

7. My aunt came back  
From the city zoo,  
And she brought me back,  
A nut like you!
