

## In winter

Text & Musik: trad.

Aus der CD: Sing and play- Hooray!

1. In winter,  
See the snowflakes falling  
by your window,  
See the smile of children  
when their cheeks glow.  
When winter,  
When winter is here.

2. In winter,  
Hear the crunch of footsteps  
on the hard snow,  
Hear the keyholes whistle  
when the wind blows,  
When winter,  
When winter is here.

Sometimes ice and wind and sleet  
Freeze your hands and wet your feet,  
Make you want to stay indoors,  
But I hate it when it thaws,  
In winter.

3. In winter,  
Feel the cold air biting on your red nose,  
Feel the warmth of embers  
when a fire glows,  
When winter,  
When winter is here.

Sometimes ice and wind and sleet  
Freeze your hands and wet your feet,  
Make you want to stay indoors,  
But I hate it when it thaws,  
In winter  
In winter,  
Yes, winter is here.
